Connecticut Statutes require that all dogs over six months be licensed annually by June 30th. A one dollar late fee per dog will be charged for each month late.

For license renewals, online renewals are available at <http://www.newhartfordct.gov/town-clerk/pages/dog-licenses>. You will need last year's tag number to access your information. Once spay/neuter documents have been provided, it is not necessary to submit them again. Likewise, if we have current rabies on file, you do not need to submit a copy of your dog's rabies vaccination. If you have any questions, please call the Town Clerk at 860-379-5037.

**Remember, A Dog License is a Lost Dog's Ticket Home!**
