Pursuant to the authority granted to municipalities by CGS 12-81c, the Town of New Hartford may exempt from personal property taxation any specially equipped motor vehicle (as herein defined) owned by a person with disabilities or owned by the parent or guardian of a person with disabilities effective with the October 1, 2009 Grand List. Any such exemption shall expire when the vehicle is sold.

Person with Disabilities means any person who has a physical impairment which requires the special adaptive equipment in their motor vehicle in order to adapt the use of such vehicle to the physical impairment of that person. Persons with physical impairments of a limited duration shall not be considered as persons with disabilities.

Specially Equipped Motor Vehicle means a motor vehicle which has undergone a permanent modification to its frame or other structural member by the bolting or welding of special equipment for the purposes of adapting its use to the physical impairment of a person with disabilities. Such equipment shall include raised roofs with roll-bar systems, raised doors, special control stations, dropped floors, kneeling systems, wheelchair lift, ramp, hand controls, car lift and any other device or mechanism necessary to permit the vehicle's operation by the person with disabilities or the parent or guardian of the person with disabilities.
