Proposal of consolidation of the Pine Meadow and New Hartford Fire Districts

The Pine Meadow Fire District is looking for input from the Pine Meadow Taxpayers on the proposed consolidation of the Pine Meadow and New Hartford Village Fire Districts

The Annual meeting of the Pine Meadow Fire District is scheduled for Monday April 19, 2021 at the Pine Meadow Fire Company on Main St in Pine Meadow.

There are two main topics to be discussed for the upcoming year.

- Annual budget and setting of the 2021 mil rate for tax collection purposes.
- Discuss and vote on the proposed consolidation of the Pine Meadow Fire District and the New Hartford Village Fire District.

Proposal: Consolidation of Pine Meadow and New Harford Fire Districts

To better serve the taxpayers of the Pine Meadow Fire District it is proposed to merge the Pine Meadow Fire District with the New Hartford Fire District. It is believed that the consolidation of the two fire districts will result in a reduction in bureaucracy and eliminate redundancies thus reducing costs and the tax burden of the Pine Meadow taxpayers while not reducing the level of service in fire protection.

Information on the proposed consolidation can be found on the Pine Meadow Fire District website:
