This is a workshop meeting intended to prepare for the “online public presentation” and therefore no public comment will be allowed at this session. There will be another ZOOM public presentation at a future date where public comment will be entertained. However, the public is invited to attend in order to gain information related to the potential sale of the water and wastewater assets.

1. The AET will conduct a refresher session of a Public Presentation regarding the potential sale of the water and wastewater assets of the Town of New Hartford (they will update information as needed).

Respectfully Submitted,
