Re: New Hartford Post Office @ 545 Main Street, New Hartford, CT 06057

Dear Mr. Mazzola,

Over the past several weeks, residents of the Town of New Hartford, the fastest growing town in Litchfield County, have expressed significant concerns to me over changes being made at our local post office. Recently sorting and delivery operations have been merged with the Winsted post office. It has also been rumored that public service hours for the lobby and counter may also change. Residents are unsettled not knowing the fate of this vital governmental facility within the heart of our downtown business district and no information has been provided to local officials for consideration and/or input.

I am available daily at the telephone number listed below to discuss any proposed changes under consideration. Can you please provide me with whatever information exists relating to possible changes to services at our post office so that I can inform town residents? Thank you in advance for your assistance.

Sincerely,

Daniel V. Jerram
