Torrington Savings Bank - Press Release

On behalf of the people of the Town of New Hartford, I'm delighted to welcome Torrington Savings Bank to the Town of New Hartford. The Torrington based bank purchased the former Bank of America facility located at 518 Main Street on Tuesday, May 17, 2011. The bank has been closed since April 1, 2011 when Bank of America left New Hartford.

After months of talks with numerous area banks and investors, I'm happy that Torrington Savings Bank had the confidence to invest in New Hartford and purchase the former Bank of America facility in our beautiful downtown business district. I find the smaller, locally owned and controlled banks are just a better fit for a small town like New Hartford. I wish Torrington Savings Bank the best of luck at their new home.

Sincerely,

Daniel V. Jerram
