Welcome to Stanclift Cove…. It is our pleasure to be able to open up Stanclift Cove for the enjoyment of our town residents. We would like all patrons to consider the following protocols as set by the CDC, local government officials and the Cove Authority

1. First and most importantly if you have any of the following symptoms, we respectfully ask that you leave the property. We would welcome you back at a later time when you have quarantined for the appropriate amount of time and do not demonstrate the symptoms. Symptoms include: Fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell.

2. Please make every attempt to maintain a minimum of six feet distance between yourself and all other non-household members.

3. Picnic tables and chairs have been placed at appropriate distances. Please do not move them. We also respectfully ask that you sanitize them both before and after your use of them.

4. We ask that you keep your groups to a maximum of ten people whenever possible.

5. Parts of the property have been designated one way in an effort to maintain the social distancing mandate. Please respect all boundaries as they are posted.

6. Please bring a face mask with you. If you must approach a staff member or anyone else and are unable to maintain the six feet; we ask that you wear your face mask.

7. You can expect the staff of Stanclift Cove to:
   - Wear masks and gloves when deemed appropriate.
   - Provide gentle reminders to you when protocol is not being followed.

8. Ultimately the health and safety of you and your family is your own responsibility. We post these guidelines as a reminder in hopes that we can respect the members of our community and keep everyone in good health.

We thank you for taking the time to read this and follow the guidelines.
