Review of invoice for tree work submitted by Jeff Deloy. This follows the May 22, 2023 meeting at the cemetery in regards to the removal of some small trees. Mary Lou met with Jeff Deloy in June following the meeting. Jeff Deloy submitted a proposal of \$350 for the removal of the trees. All agreed this was a very fair price.

Motion to accept Jeff Deloy's proposal: made by Nancy, seconded by Debra, all in favor.

Large dying Sugar Maple on western fence line. This tree was also discussed at the special meeting with the agreement that it needed to be removed. Jeff cannot handle this tree with his equipment. Following discussion of tree companies, it was decided that Mary Lou would ask for quotes from two New Hartford based companies: Lebel and Precision Tree and would choose the better quote.

Monument Repair Project

Mary Lou reported that John Ciesco has been too busy to do an extra repairs, especially considering the weather this summer. He did do the new Dumont and Pedersen stones for the families. Mary Lou will follow up with him about the possibility of doing work in the winter if the weather cooperates. Dan asked if the work is done on or off site. Mary Lou said she thought that it was mostly onsite as we are primarily looking at stabilizing stones.
